Dear Mr. Gault,

On behalf of the board of directors, I am pleased to inform you that the Lannan Literary Program Committee has awarded a grant to Point Foundation in the amount of $4,000. The grant is to be used specifically for printing and production costs of a special signature in *Whole Earth* magazine of an article entitled "Selling a Piece of Your Mother" by Catherine Caufield on the quest of the Traditional Seminole to secure ceremonial grounds for the Green Corn dance in Florida; the article is to appear in a fall 1998 issue of *Whole Earth*. The grant is not to be used for any other purposes without written permission from Lannan Foundation.

Ms. Kasi McMurray, Grants Administrator, will contact you directly regarding the payment schedule for this grant. We ask that you keep us informed of activities related to this grant, and we require receipt of a final narrative report, a detailed statement of income and expenses, and a current financial statement by 30 November 1998 in order to complete the requirements of this grant. It would be helpful if you would include your grant number, **98-176**, in all correspondence related to this grant.

We request that the amount of the grant not be publicized and that acknowledgments of Lannan support in publications and publicity materials have Lannan approval.

If you have any questions about this grant, please do not hesitate to call me.

Sincerely,

Saskia Hamilton
Director, Literary Program
